A message from the President-Celebrating Resiliency

Happy New Year to the Water Ski Wakeboard Nova Scotia Community.

We are all facing challenges in these continued 'unprecedented' times as we navigate through the first few months of 2021. Meanwhile, I am sure the count down is on to those warmer lake days. The upcoming milestone of one year in the COVID-19 pandemic has me reflecting on this past year. Our sport in the province has demonstrated incredible resilience thanks to an agile and passionate Board of Directors, incredible parents, coaches and athletes. In 2020, we were able to host 13 camp across sites, and competed in 3 sanctioned tournaments safely, despite a global pandemic.

This newsletter will be used to keep our community up to date on important information and opportunities in our sport across Nova Scotia. Being new in this role, I look forward to meeting you and learning about your many achievements and victories, while working with you through challenging times as we further grow our sport in Nova Scotia.

-ERIN AUBREY
